THE EASY WAY TO KEEP PETS AT THEIR BEST

We want your pet to keep eating, running, playing and living life at their best, which is why we created Astonlee Pet Care Monthly in conjunction with Premier Pet Care Plan.

It's an easy way to take care of all of those essential things they need to stay happy and healthy. Your pet will love you for it!

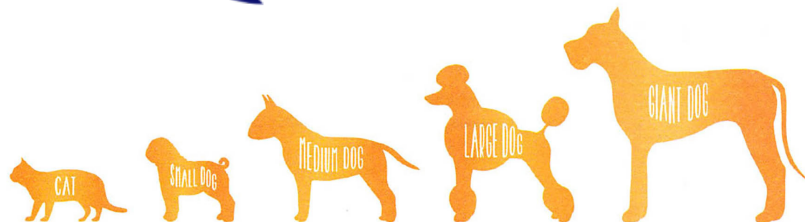

With vaccinations, regular health checks, flea, and worming treatments all planned in throughout the year and managed with low monthly payments. The Astonlee Pet Care Monthly plan is the simplest way to provide the level of health care your vet recommends, tailored to the needs of your pet.

We can now offer a home delivery service at a small extra cost, for your convenience of delivering your flea and worm treatments to your door. You can apply for this service by asking reception and mentioning this when applying to put your pet on the scheme.
